HOVENSA, St. Croix, USVI *(note - same site as Limetree Bay Terminal)*: On 1/23/18 the HOVENSA Environmental Response Trust (ERT) announced the commencement of a 60-day public comment period on the proposed permit modification to update its RCRA closure and post-closure plan for Landfarms 2 and 3. An informational public meeting is scheduled for 2/7. The ERT proposes to close the landfarms, which no longer accept hazardous wastes. Region 2 staff will attend the public meeting, and we will also meet with the VI Dep't. of Natural Resources to discuss the path forward on RCRA corrective action.
